Justification for decision: (Use continuation sheet if necessary and attach map)

Based on the available information, the house at 500 Dilley Street does not appear to meet the National Register Criteria for listing. The house is located outside of the known eligible and listed historic districts of Cumberland, Maryland. The L-plan, gable roofed house, which probably dates to the mid- or late 19th century, does not appear to have any architectural significance. Moreover, it has undergone substantial alterations, losing much of its historic character. The property is not known to be associated with any significant event or person.

Documentation on the property/district is presented in: Project File
